AGENDA

Don't miss the state's premier annual symposium exploring environmental and energy trends that affect your business.

Along with our annual regulatory review and a dozen information-packed breakout sessions, hear DEEP Commissioner Dan Esty and EPA Region I Administrator Curt Spalding offer your business unprecedented insight into how to position your company to anticipate and take advantage of fast-paced changes in environmental and energy policy.

Who should attend

Anyone responsible for environmental or energy permitting, operations, strategic planning, or compliance, including

- ▶ manufacturers
- ▶ energy procurement managers
- ▶ small businesses looking to reduce costs
- ▶ environmental, health & safety (EH&S) managers and engineers
- ▶ facility managers
- ▶ project managers & engineers
- ▶ chemical technicians
- ▶ compliance specialists
- ▶ construction professionals
- ▶ energy entrepreneurs
- ▶ attorneys
- ▶ consultants
